**Corners:**

Build one of each.

All walls will have a durable, concrete surface texture over which painted detail will be applied.

Surfaces marked (G) will be painted with rough concrete detail. See "Backside Elevation." These sides are not seen well or at all by the audience.

Surfaces marked (P) will be painted with architectural detail. Each side will have a separate elevation. See specific elevations for painted detail.

Corners will be placed on concrete floor and remain in position during the show.
