

Exit Walls  
Scale: 1" = 1'-0"

The Exit Mirror Panel is a framed shrink mirror with 3' diameter hole. The hole is back covered with a printed graphic.

The side walls are textured and finished like rough formed concrete.

Floor Layout  
Scale: 1/2" = 1'-0"

Make from painted vinyl flooring.  
Paint and finish back side of vinyl flooring.

Painted with graphic. See Elevation.

The Organio Theatre Company, The Ruth Page Center for the Arts, and the Organic Theatre Company are not responsible for the design, engineering, or construction of the building. It is the responsibility of the contractor to coordinate all construction with the existing building, including but not limited to, but not limited to, the existing building, the existing building, and the existing building. See Elevation.
