Prop Table-Bar-Desk-Filing Cabinets

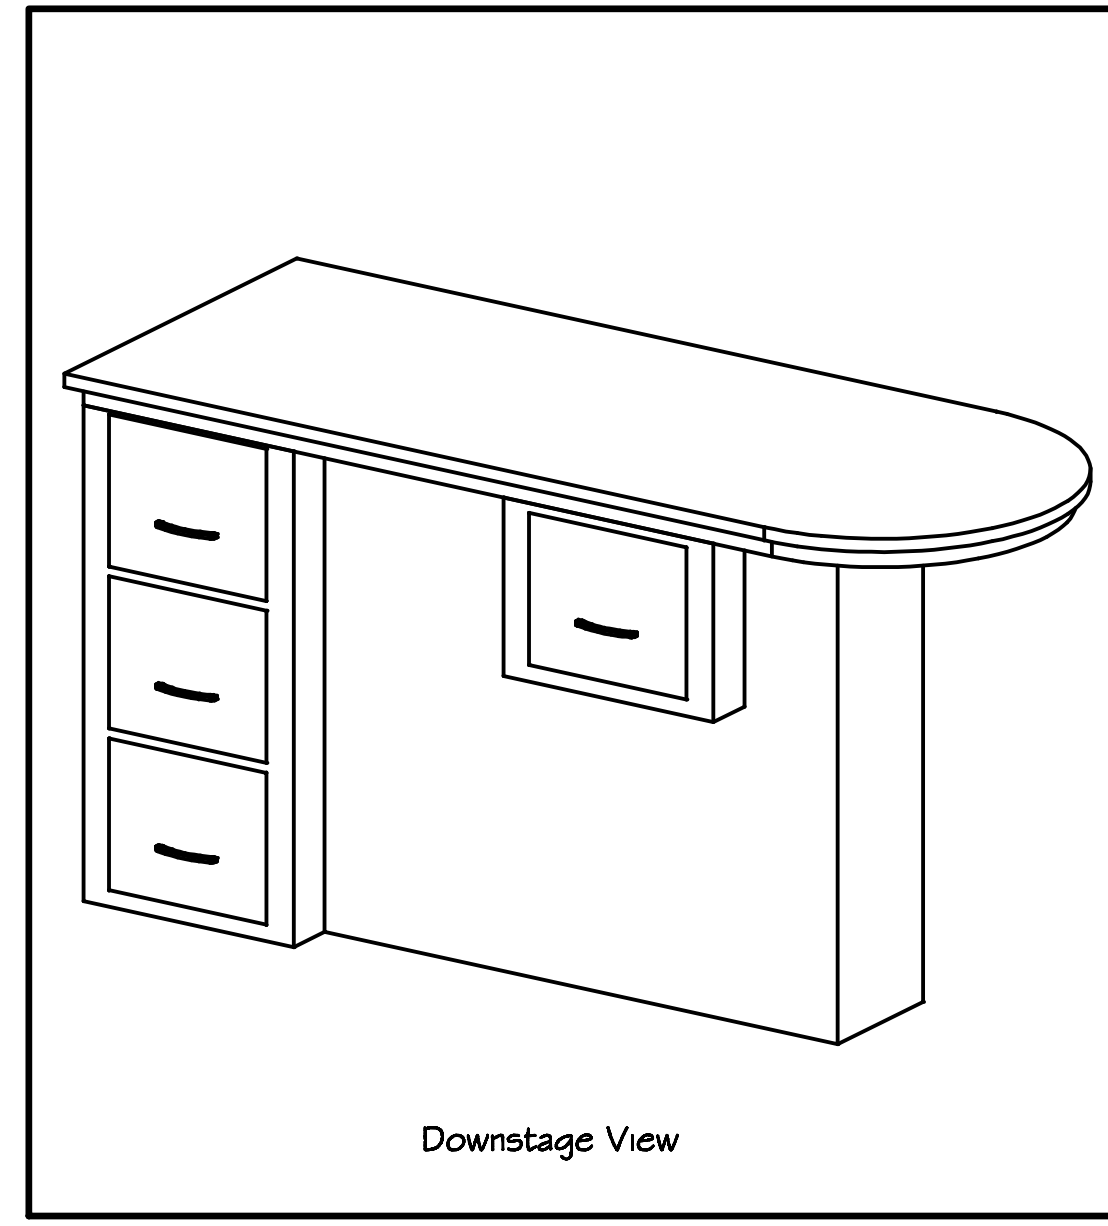

Build One

This has 4 file cabinet drawings that need to open/close and hold files.

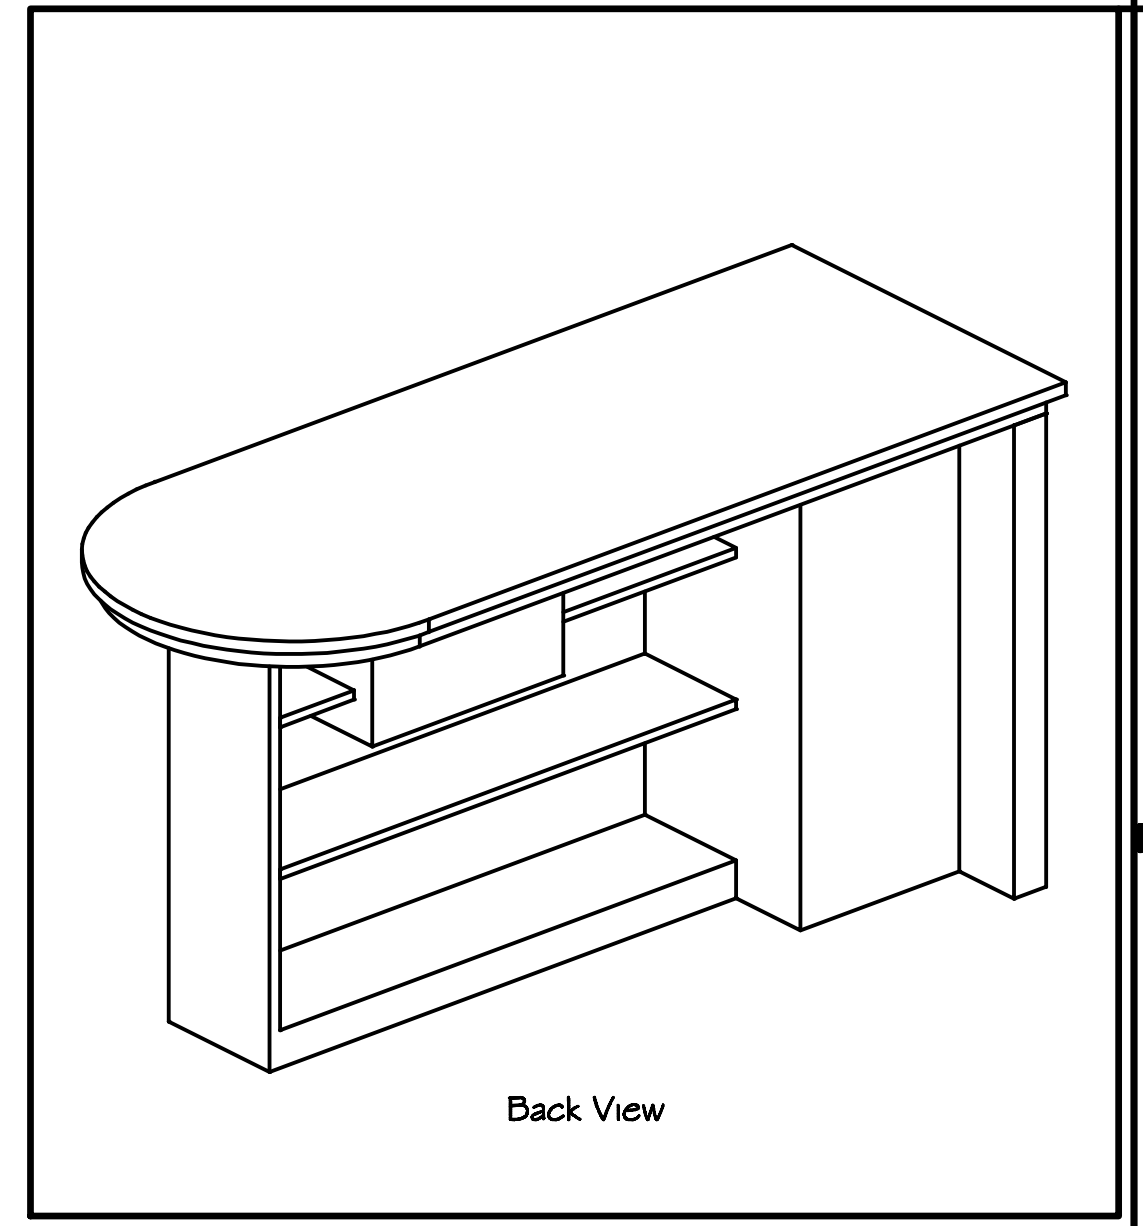

The back side hides a set of shelves that will hold food and hand props for the show.

If possible the top layers will be laminate covered.

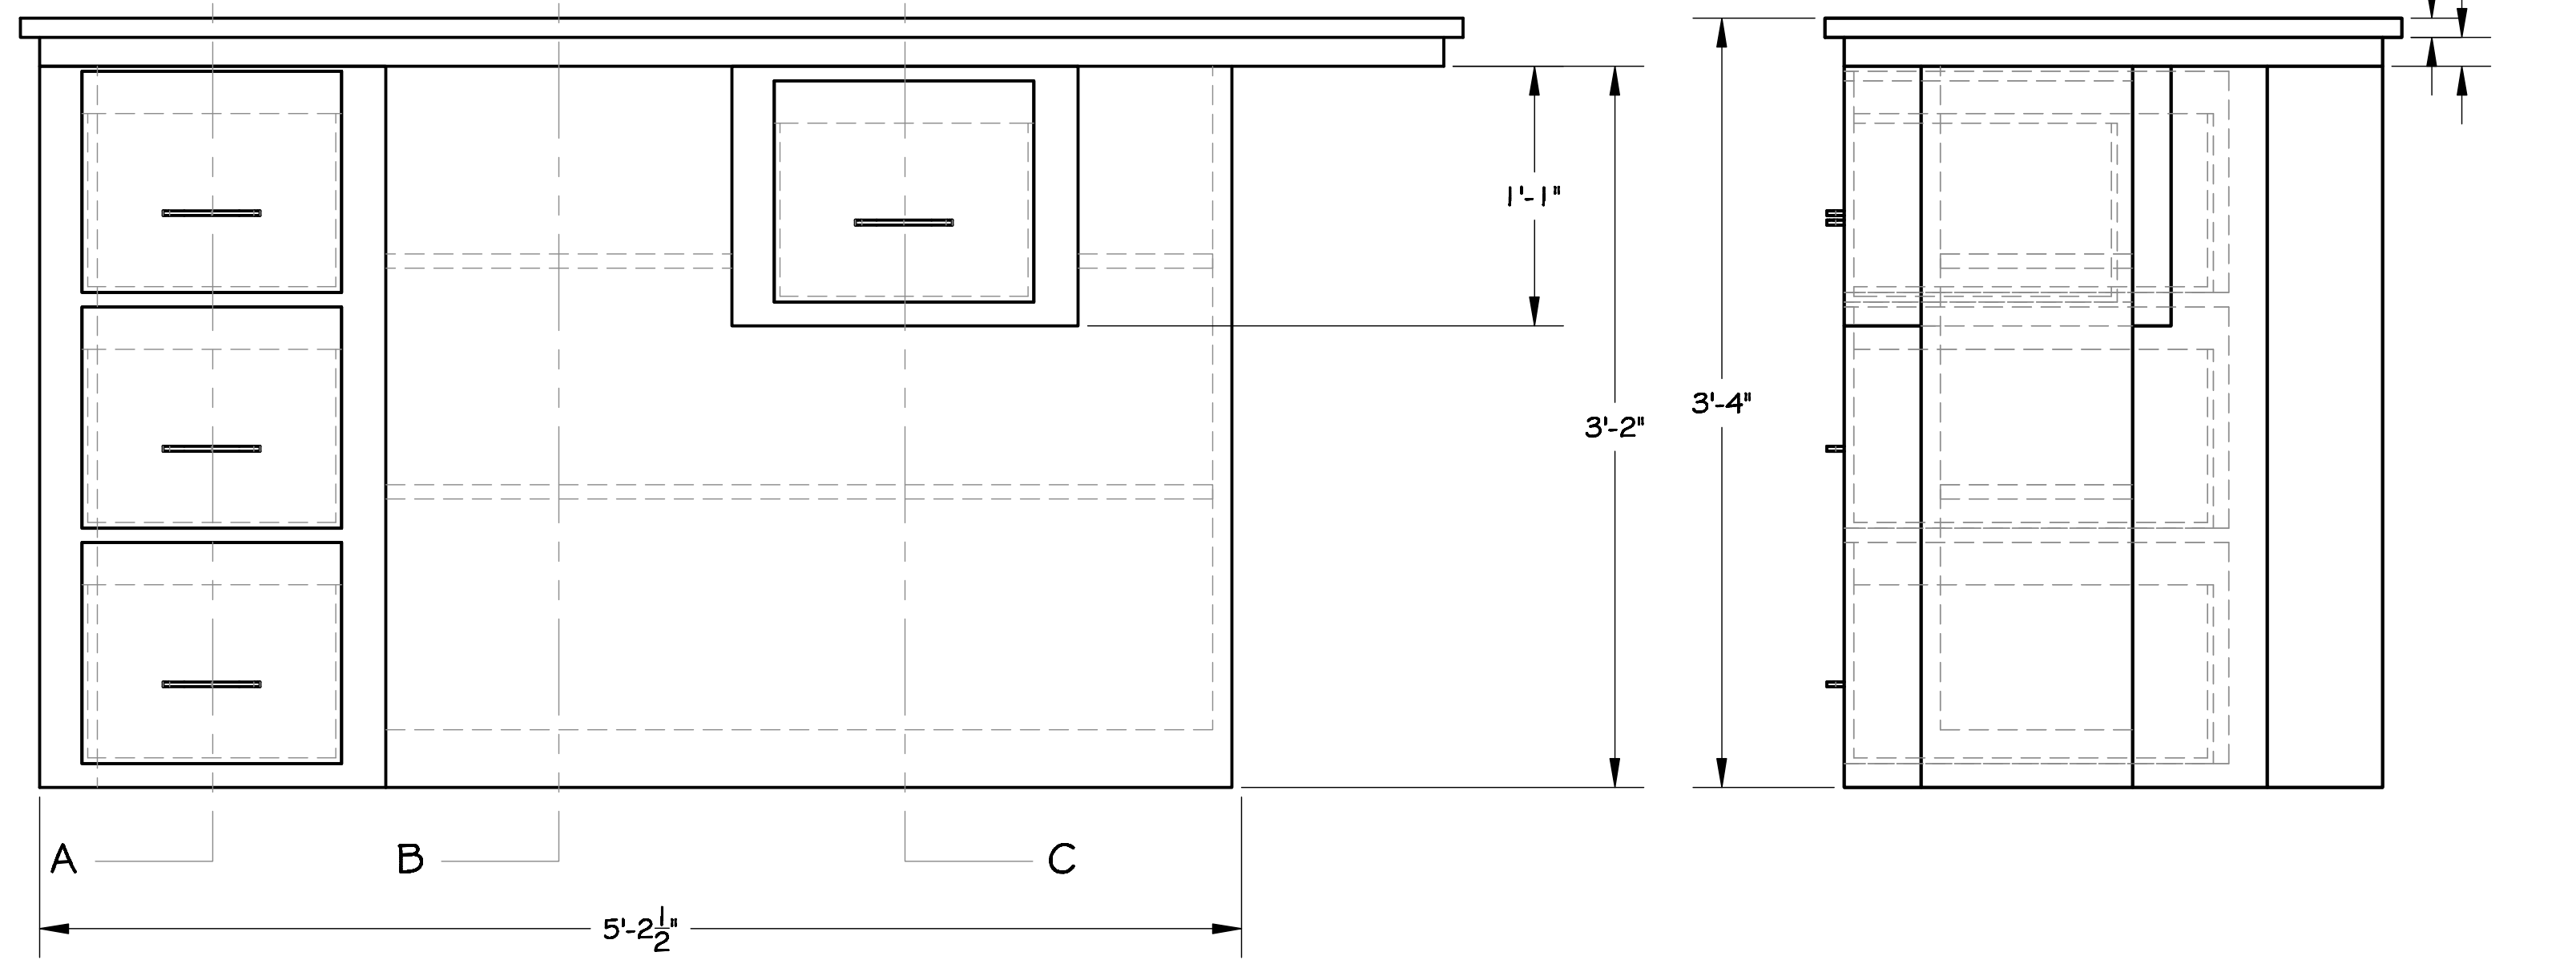

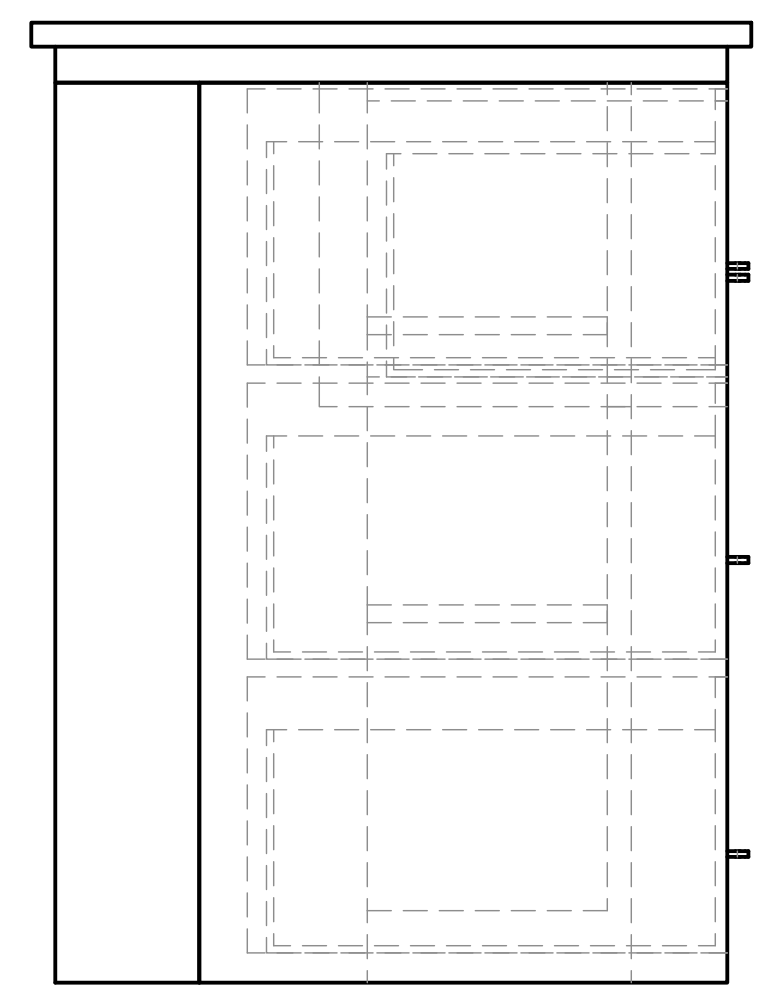

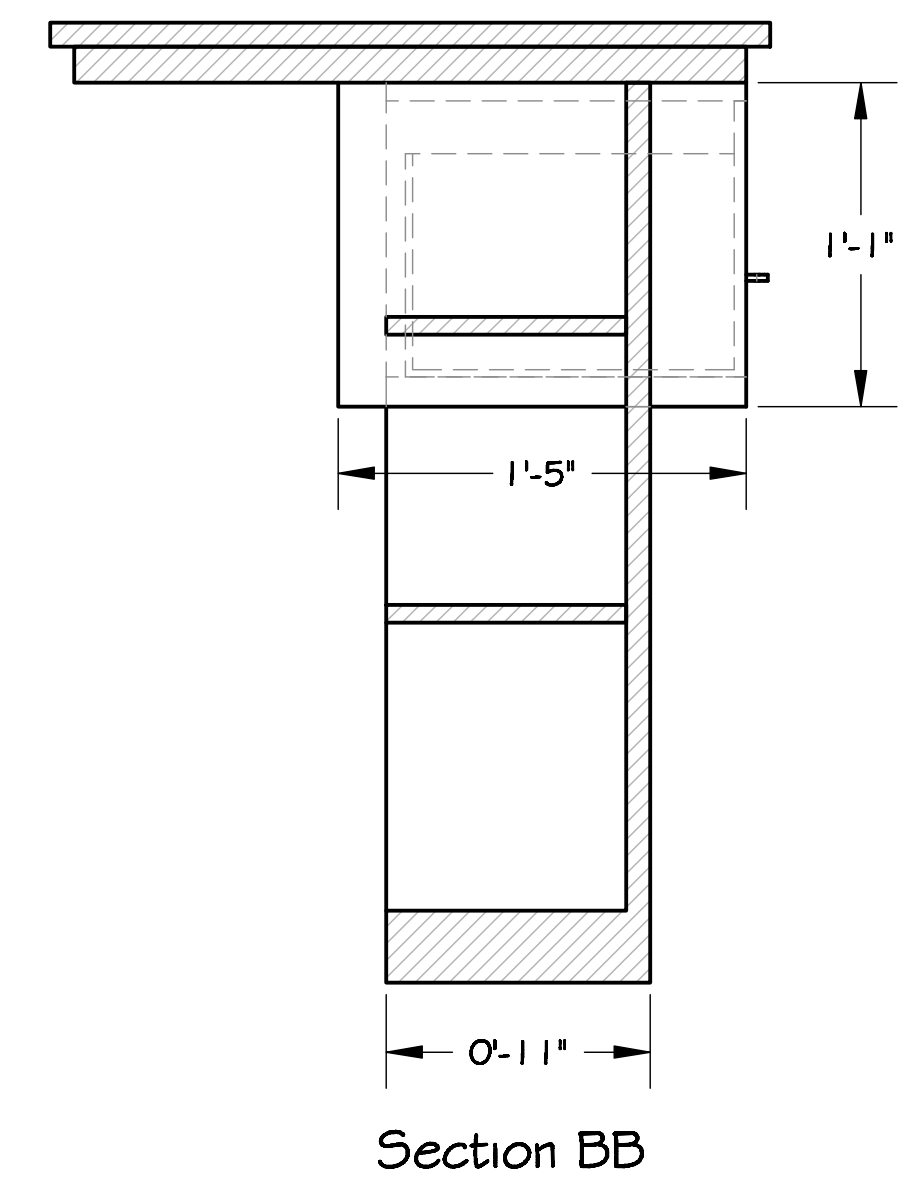

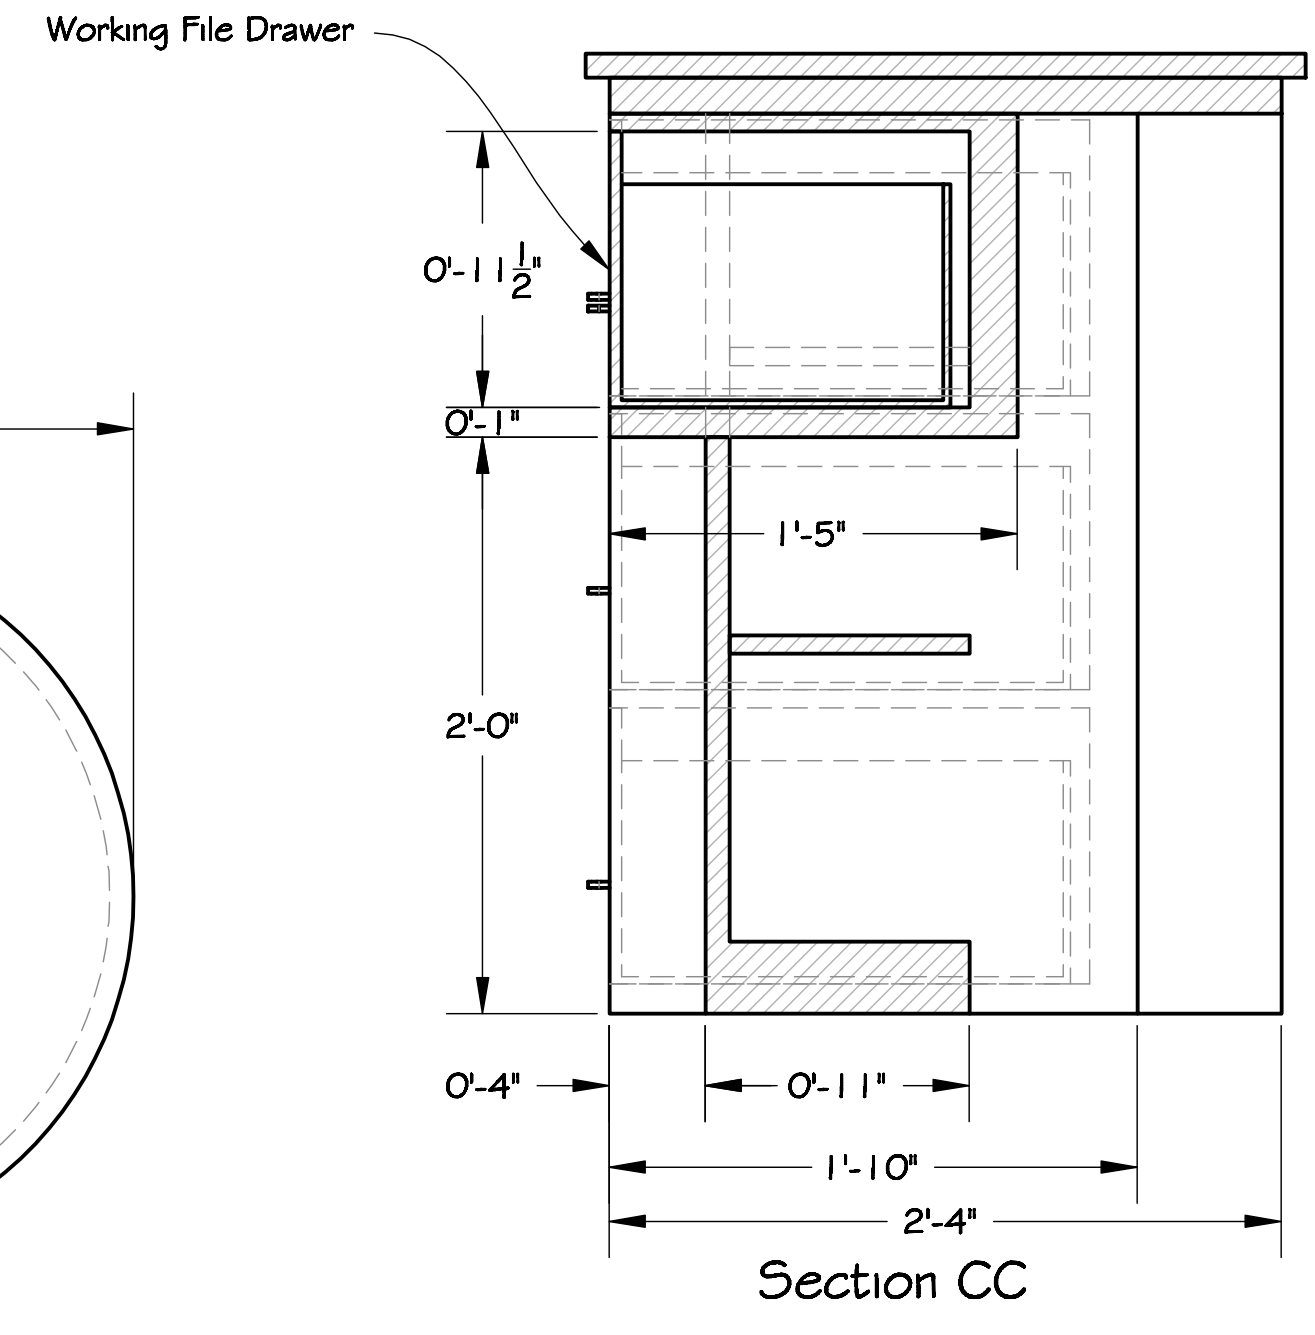

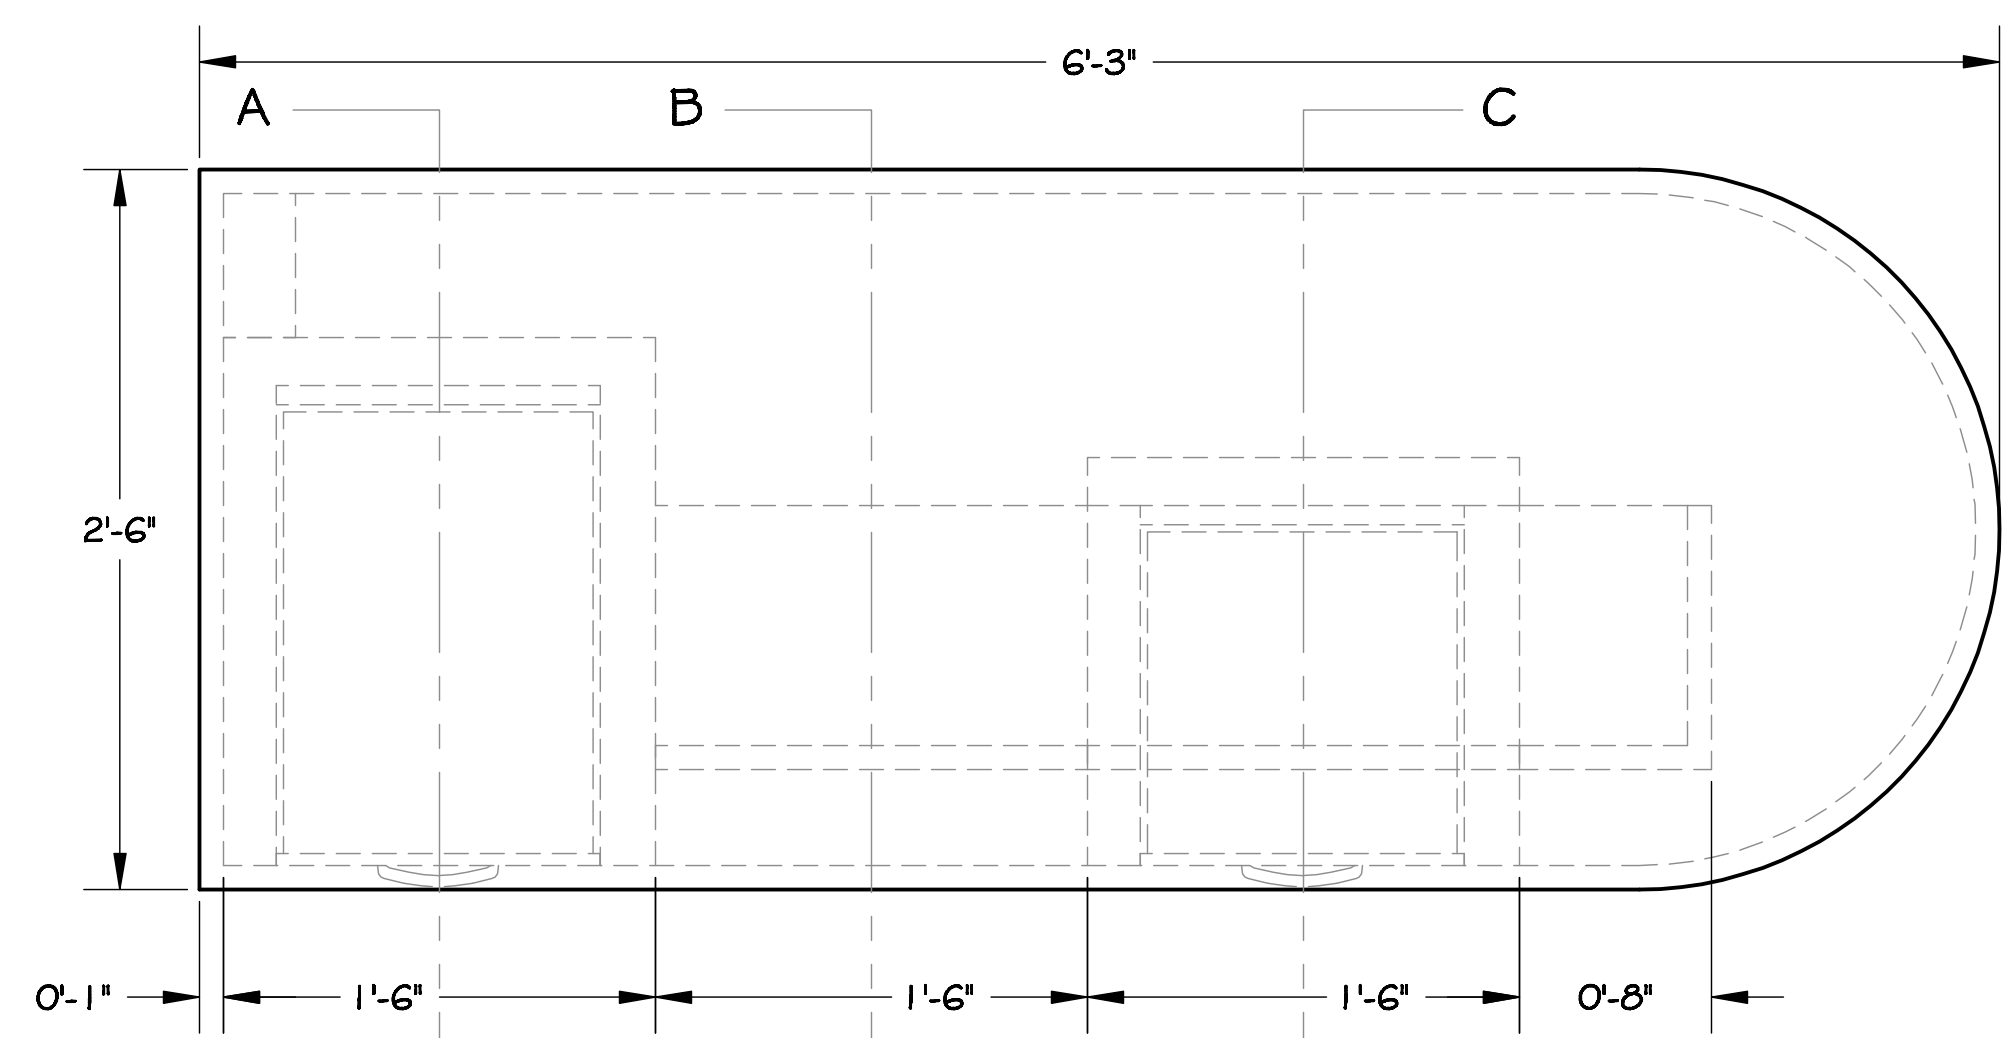

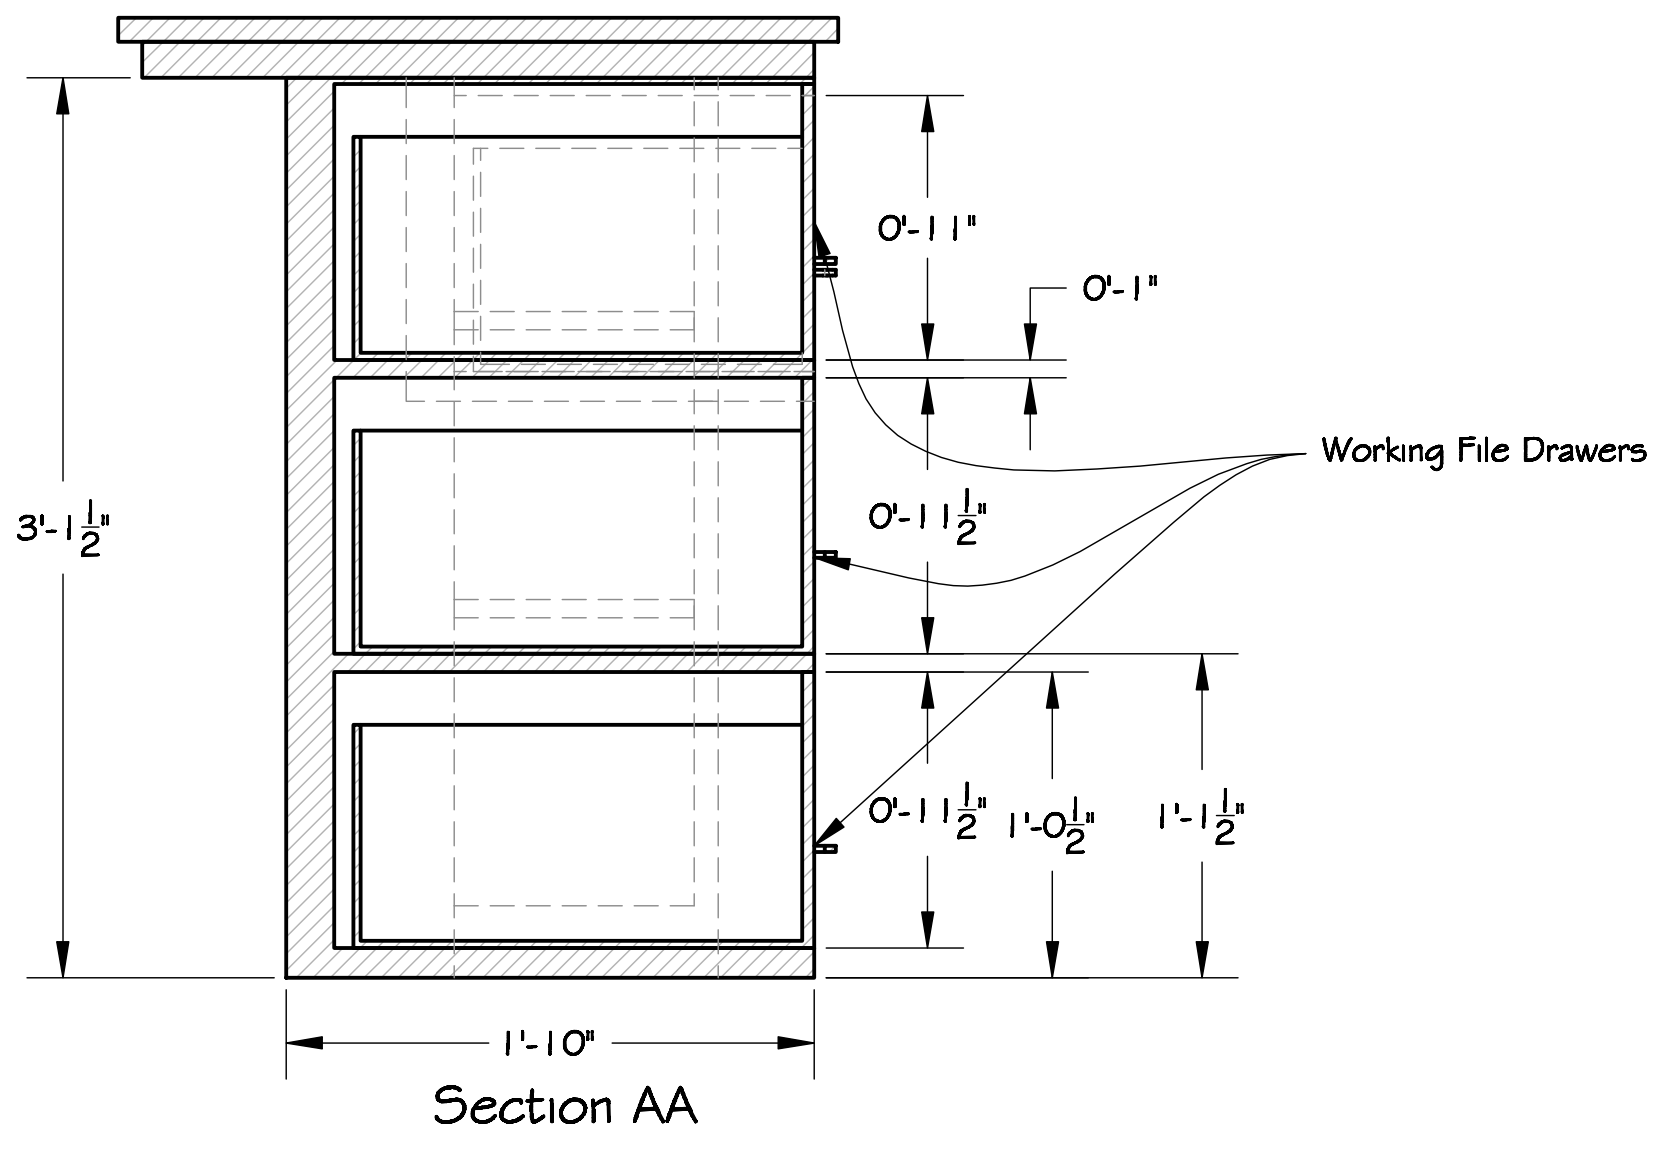

The base will be painted with a gloss paint. Outer Surfaces should not show wood grain. Build outer surfaces from MDF or similar material. Minimize visible screws on downstage and side surfaces.
